

Update March 20, 2020: As we continue to monitor the COVID-19 pandemic, we are committed to providing banking services to our clients where appropriate and based upon the guidance provided by the Governor. This means we will service clients primarily through our three drive-thru only locations noted below. Effective Monday, March 23, 2020, the following will apply to our locations:

- Our Paoli, Downingtown/Lionville, and Glen Mills Financial Centers will remain open during regular business hours, including every other Saturday, with service through the drive-thru only. Appointments can be made in advance by calling the office directly.
- Our Berwyn/Devon, Malvern, and Coventry Financial Center lobbies and our Private Client locations will be closed until further notice. Please visit one of our drive-thru locations above or make an appointment.
- All Financial Centers will be closed every other Saturday, starting on March 28, 2020. Drive-thru location open dates are available on our website's locations page. [Click here](#) to view our Saturday Open Schedule.

We ask that anyone with a fever, cough, sore throat, other flu-like symptoms or you have traveled to a high-risk area for COVID-19 or have had contact with a person known to be infected with COVID-19 to refrain from making appointments with a Financial Center.

We will continue to monitor developments around COVID-19 and provide updates as they relate to the Bank on our website at www.MyMalvernBank.com and our social media channels Facebook.com/MyMalvernBank. As always, we are committed to serving as your trusted financial partner, and we thank you for the trust you have placed in us.

We remain committed to providing the quality service that you expect from Malvern Bank, and our staff is available at 610.644.9400 to answer any questions.

Thank you for your cooperation as we take important steps to ensure the safety of our employees and customers.
